WISH-I WAS A KID.

Golly! Don't I wish that I could go back to days gone by! Wish that I could lie awake Thinkin' Santa Claus no fake, Peekin' peerin', through the dim Little light we'd left for him! Cannot do it now, folk say Only kids do "that-away." Christmas time my stocking's hid,— How I wish I was a kid!

Christmas bargains at Gerbrich's.

Mr. Henry B. Dudley has sold his farm of 170 acres near Flemingsburg to J. O. Ralls of Sharpsburg for \$20,000.

The big elevator at the First National Bank Building got out of whack yesterday and refused to work. An investigation being made a twelve-inch porch fish was found in one of the valves, which did the business.

At Wedonia Tuesday evening a 14-month-old child of Mr. McKee, tenant on the farm of William Brown, was fatally burned by its clothing being set on fire by a child about three years of age playing with fire in the absence of their mother.

William Nelson Hoeflich, the Maysvillian who is now managing the Ocean View Hotel at Virginia, near Norfolk, is here shaking hands with his many friends and will enjoy the holidays with his brothers, Messrs. R. K. Hoeflich and Robert L. Hoeflich.

The Bazaar held at Bethany Christian Church on the night of the 22d was a success, both socially and financially. The way the young men bid on and bought the many fancy articles offered for sale reminded one of a sudden rise in the wheat market on the Board of Trade. About \$20 was netted.

KNIGHTS TEMPLAR NOTICE.

Special Conclave of Maysville Commandery No. 10, Knights Templar, on Saturday, December 25th, 1909, at 11 o'clock, a. m. Christmas Observance Service. It is very important that all officers and members be present.

R. B. OWENS, Recorder.

The C. and O. freight office will remain closed all day Saturday, Christmas.

Mr. Edward Strode, an old Tenth Kentucky Cavalry boy, and well known in this city, died Tuesday at his home near Flemingsburg.

A. J. Stein of Vanceburg has been awarded \$2,135 from the C. and O. Railroad for damages to his property on account of them raising the track above the level of the street and for failure to plank the street from curb to curb as per agreement.

After waiting patiently for an opportune time, Sheriff Mackey, through Robert Fulton Redden, landed Buck Green, colored, in Jail yesterday, charged with doing the wholesale stealing at the Keystone Commercial Company's plant several weeks ago. The Sheriff has the dead wood against Green, having abundance of evidence to prove his guilt. He was arrested near Helena, where he has been in hiding for some time.

A DANDY MASCOT.

The Ashland Independent has the following of one of the bright children of Mr. and Mrs. Ben B. Poyntz: "Charlie Poyntz, the mascot for the High School girls' basket ball team of Maysville, is the most popular little guest that has been in Ashland recently. It is not so much wonder that this team met with such luck, with such a mascot. He is not only a bright child, but an exceptionally handsome boy. He was very popular with all the children, and said he had a better time than anybody, and thought Ashland a fine place. He was entertained at the beautiful home of Colonel and Mrs. T. A. Field on East Winchester avenue."

AND it was nice, too, in General Prosperity to arrive a little bit ahead of Santa Claus.

HAPPY thought for Christmas Eve:

"I would look up, and laugh and love and lift."

SINCE the report of the University of Copenhagen was handed down, the silence of Dr. Cook has been so dense that you could hear a gum drop.

REMEMBER that while the Christmas tree is beautiful, it is a most deadly thing and has many hundred victims to its credit. Beware of its combustibility.

NEXT year Santa Claus will visit us in his gyroscope. This machine is no myth but is going to revolutionize transportation. And the best and latest vehicle is good enough for Old Santa.

CHRISTMAS is just what you make it. If you are a sour-faced, grouchy pessimist, you'll have a miserable Christmas whether you dine on turkey, oysters and mince pie, or on bacon and bread. Mister, it's up to you as to the fullest enjoyment of tomorrow's beneficent occasion.

WORTH WEIGHT IN GOLD

Lady Learned About Cardui, The Woman's Tonic and is Now Enthusiastic in its Praise.

Mount Pleasant, Tenn.—"Cardui is all you claim for it, and more," writes Mrs. M. E. Rail, of this place.

"I was a great sufferer for 2 years and was very weak, but I learned about Cardui, and decided to try it. Now I am in perfect health.

"My daughter, when changing into womanhood, got in very bad health. I gave her Cardui and now she enjoys good health.

"Cardui is worth its weight in gold. I recommend it for young and old."

Being composed exclusively of harmless vegetable ingredients, with a mild and gentle medicinal action, Cardui is the best medicine for weak, sick girls and women.

It has no harsh, powerful, near-poisonous action, like some of the strong minerals and drugs, but helps nature to perform a cure in a natural easy way.

Try Cardui.

Free Sample Aids Old Men

The sudden change from years of activity of both body and mind to the quiet of later years causes the human system to undergo many changes, chief of which is in the digestive organs.

It becomes harder and harder to get the bowels to move promptly and regularly and in consequence many elderly men suffer not only from the basic trouble, constipation, but from indigestion, headache, belching, sour stomach, drowsiness after eating and similar annoyances. It is first of all necessary to keep the bowels open and then to tone the digestive muscles so as to get them to again do their work naturally. A violent cathartic or purgative is not only unnecessary but harmful, and something mild will do the work just as well.

After you have got through experimenting with salts and pills and waters of various kinds, and have become convinced that they do only temporary good at best, then try Dr. Caldwell's Syrup Pepsin, a mild, gentle, pleasant-tasting laxative tonic that is especially adapted to the requirements of old people, women and children, and yet is effective enough for anybody. Your druggist, who has handled it successfully for a quarter of a century, will sell you a bottle for fifty cents or one dollar, but if you want to make a test of it before spending any money send your name and address to Dr. Caldwell and he will gladly send you a sample bottle free of charge.

This remedy is rapidly displacing all other forms of medication for the cure of stomach, liver and bowel trouble, and families like Mr. O. F. Wisner's of Sycamore, Ill., and Mrs. Carrie Culler's of 225 N. Notre Dame street, South Bend, Ind., are now never without it in the house. They have tested it and know its grand value to every member of the family.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R. 507 Caldwell building, Monticello, Ill.

THIRD STREET
DRUG STORE

Tobacco Growers, Attention!

Although the recent cold snap curtailed the receipts somewhat, yet the Farmers' House disposes of almost 300,000 pounds leaf tobacco for week ending December 11th, 1909. The market showed marked strength, especially on the low grades. The better ones also made improvement. The average for the week shows 10 per pound better than last. The desire on the part of the buyers for tobacco made the sales very active and the bidding spirited. Some prices obtained for the week:

R. T. Hord—9c, 14c, 15c, 16c.
A. S. Baxter—10c, 12c, 15c, 16c, 16c.
M. S. Higg—10c, 12c, 14c, 16c, 16c.
George Garrett—12c, 14c, 16c, 16c.

W. M. Sammons—13c, 14c, 16c, 16c, 20c.
James Hensley—12c, 14c, 15c, 16c, 17c.
Owens & Waggon—11c, 13c, 14c, 15c, 17c.
Sherman Himes—10c, 12c, 14c, 15c, 16c.

Weather permitting, we expect heavy sales the coming week, with active market and prices of last. Get your tobacco ready and let us get the high prices for you. Yours,

ROYAL BLUE

For Laundry Use.

Is a very high grade of Bluing and specially prepared with the utmost care. Gives clothes a bright, fresh-hued, with a beautiful lustre. It does in no way streak the clothes, as these cheap, inferior grades do. Many of the finest laundries throughout the country use this Bluing daily with perfect satisfaction. You will like it. One ten-cent powder, put into a quart of clear fresh water, will make you as much excellent Bluing, in liquid form, as you pay 50 cents for, and of a much better quality. You can make half a pint of excellent Blue Ink by dissolving the powder in half pint of water. Prepared by
